

Hello Area,

As you are all aware, we are in another surge of the Covid virus in our state. We have been working on options for members to participate virtually if they choose not to attend in person. Several members have brought concerns to me about having an "in-person" component of the assembly. In order to get a group decision on this, I am calling a special meeting on Sunday, August 8th at 1:00 PM via Zoom to vote on the following motion:

1) Motion to conduct the August 2021 Area 27 Assembly as virtual only with no in-person gathering. (Motion made by Lindsey A., Area 27 Technology Committee Chair)

I spoke to the contact at the hotel and was informed that we would not incur a financial penalty if we do not have the assembly. She has asked that I let her know as soon as possible.
